Pan-Seared Tofu in Orange Peanut Sauce

Our Orange Peanut Sauce transforms tofu into something everyone will enjoy!

Yield:

Serves 4

Time:

30 minutes

Ingredients:

Asian Aisle

- 2 Tbsp canola oil
 - 1 lb (454 g) extra-firm tofu
 - 1 bunch scallions (green onions)
 - 1 cup orange juice
 - 1 packet **Peanut Sauce Mix**
 - 1 cup cherry tomatoes, halved
- Suggested Partners: Jasmine Rice or Rice Noodles

Equipment:

- Large skillet or wok
- Tongs (help for flipping)

Directions:

1 Drain tofu. Cut the block horizontally into 3 slices.

2 Place each slice on a double thickness of paper towel. Cover with a double thickness of paper towel and press firmly with hands until most of the water is absorbed. Change paper towels in between presses.

3 Cut each slice into 4 rows. Cut each row into bite size pieces.

4 In a large skillet heat the oil over medium high heat.

5 Add the tofu with enough space in between to turn over (also so they brown and not steam). Sear in two batches, pressing gently with back of spatula. Cook until golden brown on each side (don't flip until browned). Drain pieces on paper towel. Pat tops to remove excess oil.

6 While tofu is browning, slice the scallions into thin rounds, reserving 2 tablespoons of the darkest green for garnish.

7 In the same skillet, add a teaspoon more oil if necessary, and sauté scallions 1 to 2 minutes. Add the orange juice and peanut sauce mix and bring to a boil. Turn heat down and simmer for one minute.

8 Add tofu and tomatoes, stirring gently to coat with sauce and heat through.

9 Serve over rice or rice noodles and garnish with reserved scallions.

Rice Noodles with Sesame Basil Pesto

Some days you can have it all. This recipe is easy, fast, low-fat and vegan. *Plus*, it's great whether served hot or cold.

Yield:

Serves 4 hungry people

Time:

20 minutes from start to finish

Ingredients:

Find us
in the
Asian Aisle

1/2 box (8 oz / 227 g) **Rice Noodles**

2 Tbsp sesame seeds

1 cup firmly packed basil leaves, stems removed

4 cloves garlic

2 Tbsp hot chili oil

2 Tbsp olive oil

2 Tbsp rice wine vinegar

1 tsp sugar

1 tsp salt

Equipment:

Blender

Tip:

Although traditionally rice noodles are soaked in water for up to an hour to soften them, here we use the quick boil method for today's time-pressed cooks.

Directions:

1 Preheat oven to 300 F.

2 Put a large pot of water (2 quarts or more) on to boil, with one tablespoon salt.

3 Spread the sesame seeds on a pan. Toast in oven for about 2 minutes or until golden.

4 Watch them carefully so they don't burn. Remember: brown means bitter!

5 Put the basil leaves, garlic, toasted sesame seeds, chili oil, olive oil, vinegar, sugar, and salt in the blender. Blend until smooth.

6 When the water boils, add the rice noodles. Stir once to separate the noodles.

7 Boil 5 to 7 minutes, until noodles are tender but still firm (al dente).

8 FOR WARM NOODLES

Drain the noodles and very briefly run warm water over them. (This removes some of the starch, keeping the noodles from getting "gummy"). Return the noodles to the pot and toss in the sauce.

9 FOR COLD NOODLES

Drain the noodles and immediately run under cold water until noodles are cool. Toss with sauce and serve, or cover and chill to serve later.

3 scallions (green onions)

2 tsp **Red Curry Base**

1 large egg

1 15 oz can corn, drained

2 tsp soy sauce

1/4 cup all-purpose flour

5 Heat oil in skillet over medium-high heat. Using two spoons, drop small mounds (about 3 tablespoons) of fritter batter into the hot skillet. Use back of spoon to flatten fritters. Cook a few at a time so oil stays hot. Cook about three minutes on each side, or until golden.
